Dear Chairman Cole and Ranking Member DeLauro,

I am requesting community project funding for North Las Vegas Library District - Digital Literacy and Educational Access Expansion Program in fiscal year 2025. The entity to receive funding for this project is the 2250 Las Vegas Blvd N, Ste 700, North Las Vegas, NV 89030.

The funding would be used to enhance educational access and opportunities for underserved residents through a \$3,212,000 expansion program. It includes bolstering tutoring services, launching a mobile library outreach with STEM-equipped vehicles, improving digital connectivity, and offering technology lending. Facing challenges due to unique funding mechanisms, the district plans to deploy mobile libraries to directly reach underserved areas and lend Chromebooks and hotspots to bridge the digital gap.

The project is a good use of taxpayer funds because it addresses significant educational and economic challenges faced by its diverse, rapidly growing population of residents.

The project has a Federal nexus because the funding provided is for purposes authorized by 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Steven Horsford".
