Dear Chairman Cole and Ranking Member DeLauro,

I am requesting community project funding for the Rancho Drive Complete Streets in fiscal year 2025. The entity to receive funding for this project is City of Las Vegas, 495 S. Main St. Las Vegas, NV 89101.

The funding would be used to fund the Rancho Drive Complete Streets project through the urban core of the 4th District encompasses improvements along Rancho Drive from Mesquite Avenue to Coran Lane. Proposed improvements include constructing new dedicated high-capacity transit lanes for Rapid Bus express service, new bicycle lanes, widened sidewalks, intersection capacity improvements, street trees, median island landscaping, new storm drain, and enhanced streetlighting which will expand access for all modes of travel on this critical regional route.

The project is a good use of taxpayer funds because the proposed improvements include constructing new dedicated high capacity transit lanes for Rapid Bus express service, new bicycle lanes, widened sidewalks, intersection capacity improvements, street trees, median island landscaping, new storm drain, and enhanced streetlighting which will expand access for all modes of travel on this critical regional route. Improvements will advance multimodal transportation safety by providing a designated space for each mode in the street cross section and increase mobility choices in the area with the addition of Rapid Bus improvements. In addition, this project will enhance vehicular travel times and improve reliability along this busy corridor.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Steven Horsford".
