Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Apex Regional Landfill Leachate Reclamation and Reuse Project in Fiscal Year 2027. The entity to receive funding for this project is the Clark County Water Reclamation District located at 5857 E Flamingo Road, Las Vegas, NV 89122. The funding would be used for a comprehensive design study, including water quality analysis and pretreatment recommendations, focused on recovering and reusing the landfill leachate from the Republic Services Apex Landfill. The project is an appropriate use of taxpayer funds because it helps address water supply shortages, water quality issues and heightened competition for water supplies.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Steven Horsford".
