The Honorable Rosa DeLauro
Ranking Member Committee on Appropriations 1036
Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Non-Medical Transportation Procurement project in Fiscal Year 2027. The entity to receive funding for this project is Nye County, located at 101 Radar Road, Tonopah, Nevada, 89049. The funding would be used for the procurement of non-medical transportation assets. The project is an appropriate use of taxpayer funds because it improves healthcare efficiency, reduces avoidable federal and state healthcare spending, and strengthens rural healthcare infrastructure, while ensuring care for underserved rural populations.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that neither I nor my immediate family have any financial interest in this project. Sincerely,

Sincerely,
