The Honorable Rosa DeLauro  
Ranking Member Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Mobile STEM Units in Fiscal Year 2027. The entity to receive funding for this project is the Nevada System of Higher Education, located at 4300 S. Maryland Pkwy. Las Vegas, NV 89119.

The funding would be used to procure and equip mobile two STEM education units. The project is an appropriate use of taxpayer funds because this is a cost-effective and scalable method to deliver STEM education across geographically dispersed areas without requiring new permanent infrastructure.

The project has a federal nexus because the funding provided is for purposes described in section 20102 of title 51, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Steven Horsford".
