The Honorable Rosa DeLauro
Ranking Member Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Nye County Animal Shelter Infrastructure Modernization Project in Fiscal Year 2027. The entity to receive funding for this project is Nye County, located at 2100 E. Walt Williams Dr., Ste. 100, Pahrump, Nevada 89048. The funding would be used for the the rehabilitation and modernization of the Nye County Animal Shelter. The project is an appropriate use of taxpayer funds because these durable infrastructure upgrades will reduce long-term maintenance costs and prevent recurring expenditures associated with repairing outdated systems. Likewise, the the improvements will help reduce the long-term burden on local government resources and support local job creation/sustainment.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Steven Horsford
Member of Congress
