Ranking Member Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Bike Share Dock Replacements project in Fiscal Year 2027. The entity to receive funding for this project is the Regional Transportation Commission of Southern Nevada, located at 600 S. Grand Central Parkway, Suite 350, Las Vegas, Nevada, 89106. The funding would be used to modernize and replace aging bike share infrastructure by upgrading 279 bike share docks and 21 stations across the existing network. The project is an appropriate use of taxpayer funds because it is a cost-effective investment that improves safety, sustainability, and supports mobility across the region.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Steven Horsford".
