The Honorable Rosa DeLauro

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for City of North Las Vegas Fleet Fuel Station Project in Fiscal Year 2027. The entity to receive funding for this project is the City of North Las Vegas, located at 2250 North Las Vegas Blvd., North Las Vegas, Nevada, 89030. The funding would be used for construction of a centrally located above-ground fueling facility equipped for City fleet vehicles. The project is an appropriate use of taxpayer funds because it will reduce long-term fuel expenditures, and these savings will generate significant cost reductions while improving the reliability of critical infrastructure that supports emergency response and essential city services.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Steven Horsford".
