The Honorable Rosa DeLauro

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Multi-Facility Guard Booth Building Upgrade project in Fiscal Year 2027. The entity to receive funding for this project is RTC of Southern Nevada, located at 600 S. Grand Central Parkway, Suite 350, Las Vegas, Nevada, 89106. The funding would be used to replace two existing guard booths at its Sunset Maintenance Facility and its Infrastructure and Bus Maintenance Facility that have reached the end of their service life and are critical to vehicle monitoring and facility security. The project is an appropriate use of taxpayer funds because it is a cost-effective investment that improves safety, reduces threats, and supports transit service and mobility across the region.

The project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
Steven Horsford  
Member of Congress
