The Honorable Rosa DeLauro
Ranking Member Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the High Injury Network Intersection Safety Improvements project in Fiscal Year 2027. The entity to receive funding for this project is the City of Las Vegas, located at 495 S. Main St., Las Vegas, Nevada, 89101. The funding would be used to implement targeted upgrades at signalized intersections located on the City's High Injury Network. The project is an appropriate use of taxpayer funds because it is a cost-effective investment that improves safety, reduces conflict points, and supports mobility across the region.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Steven Horsford".
